## Vets Club Slates Dance For April 23

By Joe Bradley, Jr.  
The Vets Club is sponsoring a semi-formal dance at the college gym April 23. The Vets have, in view of previous dances held by other organizations on the campus, tried to eliminate most of the disagreeable factors involved. Much attention has been given to decorations, set-ups and general arrangements.

This will be the first dance held by the Vets Club since their organization and we hope make it the best dance of the year. There are several innovations planned for the dance which we are sure will please everyone. Some second-state plans are club design and table service.

Admission prices will be \$2.00 drag and \$1.50 stag. Music will be provided by Joe Rice of Ashland. The dance will be restricted to college students, however, a student may bring his or her friend from off campus.

## Doran Will Make 19 Addresses

Dr. Adron Doran, president of Morehead State College, is scheduled to deliver 19 commencement addresses this spring. It was announced today.

His speaking schedule extends from April 23 to June 14 and includes addresses at high schools in Kentucky, West Virginia and Ohio, and at Freed-Hardeman College in Henderson, Tenn.

The schedule:  
Thursday, April 28—Russell County High School, Jewettown; Monday, May 2—Meads Memorial High School, Williamsport; Friday, May 6—Sandy Hook High School, Thursday, May 13—10 a. m. Knox Central High School, Barboursville; 7:30 p. m. Napier High School, Hazard; Friday, May 13—Powell County High School, Stanton; Monday, May 16—Olive Hill High School, Tuesday, May 17—Crum High School, Crum, W. Va.;

Wednesday, May 18—Camargo High School, Thursday, May 19—Morehead High School; Friday, May 20—Sturgis High School; Monday, May 23—Lynch High

## Sara Glenn Lane Elected Mountain Laurel Candidate

Sara Glenn Lane

A five-foot-five blue-eyed brunette by the name of Sara Glenn Lane is Morehead State College's candidate for Mountain Laurel Queen. The Mountain Laurel Queen will be selected at the Mountain Laurel Festival which will be held at Pine Mountain State Park, Pineville, Kentucky, on May 26, 27, and 28. This is an annual event held to

select the Mountain Laurel Queen. Last year there were 16 candidates entered from Kentucky's colleges.  
Sara Glenn is a sophomore at the University of Kentucky. She is here at M. S. C. Her major is Elementary Education, and she belongs to the Wesley Club and the Mystic Club. She lives on Myrtle Avenue and is the daughter of Glenn W. Lane, a local banker, and Vera Alexander Lane.

She was elected Homecoming Queen last fall. Both this election and the one as Mountain Laurel candidate were by the popular vote of the students.

Sara Glenn is a likeable girl who doesn't even have a pet peeve. Her hobbies are listening to music, dancing, and tennis. As for food, she likes anything chocolate.

## Mullins Fund Scholarship Details Told

The Georgia Mullins Scholarship of \$200 will be offered in the fall to a freshman woman physical education major. Applications will be sent to the various schools in this area. Eastern Kentucky applications will receive first consideration, but other applications will be considered also. The principal of the high school is to make the recommendations. Such character traits as leadership, interest in sports activities, a desire to teach physical education, and of course, financial need are all considered in the recommendations.

In order to raise money for this scholarship fund, our WRA sponsored a benefit basketball game. The Gay Nineties and the "Breck Babies," a game between some of our girls and a group of girls from the Breckinridge Training School. Competition was rough, but for our two star players, Peggy Burke and Sue Ernst, our team came out on top. "The Gay Nineties" won 33-26. An extra added attraction a half time show was given by students from both groups. Cokes were sold also. Approximately \$100 was received from ticket sales and concessions with money still rolling. (Continued On Page 4)

## KEA Opens Meet In Louisville April 13

A cartoonist, an anthropologist and a leading educator will be among speakers at the annual meetings of the Kentucky Education Association and the Kentucky Teachers Association.

More than 7,000 educators are expected to attend the meetings in Louisville next week, April 13-15.

Al Capp, creator of L'il Abner, will address the first annual KEA session. Addressing both the KEA and the KTA will be Margaret Mead, New York anthropologist, and Dr. William G. Carr of Washington, executive secretary of the National Education Association.

Several other speakers are on the program.  
Most public schools in Kentucky will be dismissed April 14 and 15. Morehead State College will be closed April 14, 15 and 16.

Exhibiting this year are such notables as Arthur Deshaies, head of the Art Department at the University of Indiana, Clifton Adams, head of the Art Department at the University of Kentucky, and lithographs all over the U. S., for his art is in many books as example of an expert work. So it is a great honor for anyone to even have his work accepted to hang in the same exhibit with such artists as these.

Triple winner (half mile, mile and two miles) in one afternoon was Carl Deaton, pictured in the center, on the victor's stand here. Flanking him on the stand are Gene Carroll and Jerry Riddle on the right, or number three position. Eastern's runners "also ran" as M. S. C. won placed and showed. Oh yes, the girls are Margaret Vincent and Emily Gorman. They didn't run but handed out ribbons.

## Henry Glover, '54 Established As Regional Artist

Every year in April an authority on art in the United States is selected to pick the winners and the worthwhile art to show at the Art Center Association Exhibit in Louisville at the Speed Museum (formerly known as the Kentuckiana Exhibit). The art in this exhibit is done by the leading artists in Kentucky and Indiana.

Exhibiting this year are such notables as Arthur Deshaies, head of the Art Department at the University of Indiana, Clifton Adams, head of the Art Department at the University of Kentucky, and lithographs all over the U. S., for his art is in many books as example of an expert work. So it is a great honor for anyone to even have his work accepted to hang in the same exhibit with such artists as these.

A little jewel of a watercolor done by Henry Glover, Jr., was accepted to hang in the exhibit. Once an artist's work is accepted to be shown in the Art Center Exhibit, he or she is then established as an artist of that region, namely Indiana and Kentucky.

Henry Glover, Jr., is the son of Mr. and Mrs. Henry Glover of Morehead, Kentucky. He received his B. A. with an area of concentration in art at Morehead State College, and last year received his M. A. in Education at M. S. C. He is now in County, Maryland, in the army, stationed at Baltimore. He had his water color painting instruction under Mrs. Naomi Claypool.

This year there were 468 entries, of which only 135 were accepted to hang in the exhibit. Once an artist's work is accepted to be shown in the Art Center Exhibit, he or she is then established as an artist of that region, namely Indiana and Kentucky.

## Youth Night Held By Baptists

By Joyce Brown  
Youth Night was held at Morehead Baptist Church on Friday, April 8, at 7:00. A program had been planned especially for young people. The program was as follows:

Informal Discussion Groups:  
"Courtship for Keeps" led by Dr. George G. Greene, M.D., from Lexington.

"How Can We Tell Right from Wrong" led by Rev. Louis McCord from Mayville.

"Sing Time"—led by Edward Clark, outstanding soloist and song leader.

Inspirational Message—Rev. Wayne Todd, pastor of Immanuel Baptist Church, Lexington.

After the service there was a fellowship hour.

This year there were 468 entries, of which only 135 were accepted to hang in the exhibit. Once an artist's work is accepted to be shown in the Art Center Exhibit, he or she is then established as an artist of that region, namely Indiana and Kentucky.

## Powerful Team Effort Paves Way To Victory

Thursday, April 7, was a cold, cloudy day with a piercing wind that rarely stopped blowing. But to the Morehead track team it was the most beautiful day imaginable for this service to-be-forgotten occasion the Eagles romped to their first victory over Eastern in the V. C. last spring by a mere half point, bite the dust.

This win was meritorious for several other reasons, too. In the first place, it marked the first defeat that Eastern has suffered in dual meets over the past three seasons. The maroons have been tied before they had not been beaten over that span. Then, of possibly more importance, was the performance by this victory Morehead broke the long-standing link which the Eastern athletic teams have over the Eagle squad. Not since the basketball wins of over a year ago has any Morehead team finished in front of Eastern in any sport until today's triumph. By winning today's race the track team tied its previous four season record of two wins, a mark achieved by last year's aggregation. Finally, and probably of the greatest importance, there were the feats of none, Carl Deaton.

The little picture runner from Breathitt County gave the Morehead crowd one of the greatest thrills possible in a dual track meet as he performed with ease one of the most difficult feats in track—running the half mile, mile, and two miles. To run in three events is hard enough, to win all three is a most difficult accomplishment.

Thirty-five minutes he took to record-breaking time borders on the fantastic. It has been his ambition since he was a child to try this triple and today he had his wish. In his first race, the mile, he was second, but he had a second back of the O. V. C. record which has stood since 1949. Thirty-five minutes he lined up with the half mile to try an event which he had never run before. His time in the half, 2:02.9, was only a scant second back of the O. V. C. record. In a matter of only twenty minutes, he launched his final effort of the day, the two mile race. His time, 10:21.1 was quite a bit off the O. V. C. record, but even so it was better than any other two mile run in the history of the Conference. What Deaton could do in a single day, running on a good track and not on a warm day, he defies cold weather, is hard indeed to imagine. Should he train diligently over the next year or two there seems to be no reason why he should not be one of the best runners of the country.

Great as was Deaton's accomplishment, it was not the only one. Great as was Deaton's accomplishment, it was not the only one.

Great as was Deaton's accomplishment, it was not the only one.

Great as was Deaton's accomplishment, it was not the only one.

## 1,600 Here For Morehead College Senior Day Friday

Sixteen hundred high school students "took over" the Morehead State College campus last Friday when the college held its annual Senior Day. Forty-two schools in the Eastern Kentucky area sent students for a day of sight-seeing on the campus, programs and recreation.

The high school visitors were taken on tours of the campus by college students before and after a 10 a. m. general assembly in Button Auditorium.

The assembly program included music by the Patsy Teen Orchestra, a campus dance band; greetings from President Adron Doran; music by the Patsy Teen School under the direction of Chas. Chalmers; and a vocal solo by Morehead student students gave short talks on various phases of the college

program. They were Tony Ro-tout who discussed academic programs; Chas. Williamson, professional training; Frank Taylor, social and recreational activities; and Hazel Nunn, religious opportunities.

The entire program was broadcast as a public service by radio station WMOR.

# Intrasquad Game To End Spring Football Practice

Morehead fans will get a chance to see a preview of next fall's football team when the Eagles wind up their spring practice with a Blue-White game, Tuesday, April 19, at Jayne Stadium. The game is scheduled to start at 7 p. m.

Coach Story Jamerson has already split the squad into two teams. Each team will work as a separate unit until the game. This will limit the amount of contact work because of the small size of each unit.

Both Jamerson and assistant coach St. Prewitt will be spectators during the game as the coaching duties have been delegated to members of last year's team who are graduating this June. Harold Barker, known Felix, and Jimmie Hicks are in charge of the Blue team, while Ernie Jenkins, Ed Wells, and Roy Walton will handle the Blue team. Nick Perich, who was injured early during the spring drills and is unable to play, will also be a member of Blues coaching staff.

In the distribution of personnel, the White team drew the strong line, while the Blues got

the stronger backfield.

**Starting Lineups**

When Luke was in the Army they called him "Radar"—he would pick up anything.

It is better to trust your fellow men and be occasionally deceived than to be distrustful and live alone.

# Tracksters Triumph In Season's First Triangular Meet With Berea And Bellarmine Here

With a benevolent sun casting warm glances of approval, the Morehead track team launched its fourth season last Saturday (April 2) by taking a triangular meet from Bellarmine and Berea at Jayne Memorial Stadium. Morehead scored 66 points while the other two schools had 54 and 43 points, respectively.

Last Saturday should live long in the memory of Morehead sports fans, for it was a veritable day of "firsts." (a) It was the first time that two of the college's athletic teams triumphed on the same day; the baseball team having trounced Marshall on the same afternoon; (b) It was the first time that Morehead has ever participated in a triangular track meet, and, of course, the first triangular of the college has ever taken; (c) It was also the occasion of the first track victory ever for the college on the home ground.

Stars in the Morehead victory were Capt. Deaton, Ed "Twinkles" Wells, and Kenny Thompson. Deaton, number one man of last fall's championship cross country team, resumed his winning ways Saturday with a dual performance that had everyone gasping. He opened the meet with a sparkling 4:31.8 mile, 1.9 seconds under the official O. V. C. standard for the event. An hour later "the picture runner" was back on the track for the 2 mile jaunt. Steadily but effortlessly he drew away from his opponents, lapping three of them in the process. Finishing with the O. V. C. Not since the days of the nationally-known Dave Rogan of the University of Kentucky has a distance runner shown so much promise in the state. Needless to say, these runs shattered the previous Stadium and school records in these events, all of which Deaton held already.

Wells, captain of this year's team, rocketed to wins in the 100 and 220 yard wide margins in each case. His time of 10.1 in the 100 was only one-tenth of a second off the Stadium school and O. V. C. records. A senior

and the only member left of Morehead's first team (1952). Ed looks to be ready for his best season yet.

Kenny Thompson, a freshman from Stockdale, Ohio and a protégé of Morehead's ex-track great, Don Kardok, led the Moreheadians in scoring with 11 points. He was first in the high jump and second in both the broad jump and pole vault. Since he was competing in the latter two events for the first time (1) he should be great when he has acquired a bit more experience.

Billy Adkins and the veteran Joe Wheeler turned in the other two firsts for Morehead. Adkins had a fine toss of 167' in the javelin, as he demolished the old school mark of 139'6", held by Ed Reed. Joe Wheeler outclassed a very mediocre field in the quarter as he won in the slow time of 54.2.

Three stadium records were set by non-Morehead athletes. Johnny Moll, Bellarmine's fine hurdler who, incidentally, was the high scorer of the meet with 13 points, ran the low in 27.3 as he bested "Red" Hallinan's (Georgetown) old work of 28.2. Hunkison of Berea did 19'6" in the broad jump to erase Pit Hoffman's (Morehead) record of 19'5". Holladay, also of Berea, went 11'2" in the pole vault to do away with the old record of 11'0" held jointly by Steve Hamilton (Morehead) and Westermont (Louisville).

**Meet Summary**

100—1. Wells (M); 2. Haddix (Bere); 3. Stergios (M); 4. Boyce (Bere); Time—10.1 seconds.  
 220—1. Wells (M); 2. Connell (Bere); 3. Haddix (Bere); 4. Duckworth (Bere); Time—24.0 seconds.  
 440—1. Wheeler (M); 2. Connell (Bere); 3. Duckworth (Bere); 4. Jordan (Bel); Time—1:12.4.

## Barker Pitches Baseball Team To Victory

Right-hander Harold Barker pitched the MSC baseball team to a 7-3 victory over Marshall College in Huntington last night in the opening game of the season. Going all the way, Barker gave up six hits, struck out eight and walked three. The first three were set in order before Marshall got its first hit with one away in the 5th. The "Big Green" picked up one hit in the 7th, one in the 8th, and got all of their runs in the 9th and a base on balls in three hits.

The Eagles jumped into an early lead in the 2nd inning as they scored a run on a walk, a base and a single by the catcher Ray King. They made it 3-0, in the 4th when Jack Carter singled in Boyd and King who had both drawn bases on balls.

Morehead's "big blow" came one inning later when the Eagles loaded the bases on two walks and a single. Barker then drove in all three base runners with a resounding home run to right center. An anti-climatic run was picked up the way in the last inning on a hit batsman, two walks and a fielders choice.

Lending the victors at the plate was Jack Carter with a single in six times at bat. Ray King and Eldon Secrist chipped in two hits apiece.

Though they only had five days practice under their belts, the Morehead team didn't make a single error in the field.

## Hank Knows...

About Women's Sports

By Nancy Montgomery

That the basketball game on Tuesday night was a big success. Approximately \$100 was received from the ticket sales and concessions. Eight girls sold over 20 tickets each:

Nan Karick 51  
 Jimmy Scott 30  
 Phyllis Neely 30  
 Ann Dickens 26  
 Betty Green (Bere) 25  
 Ella Mae Bocooc (Bere) 23  
 Ann Karick 21  
 Lucille Mayhall 21

Thanks to all for your support and interest, and thanks also to that great talent for the half-time show. Contributions are always appreciated and are still being accepted. Just see Miss Twins or one of the Karick twins.

That the basketball intramurals are almost over and that softball and swimming are next on the list of activities.

That Ann Karick's basketball team is leading the league, with no defeats.

That the KAPCW Spring meeting will be held on April 23 as a luncheon meeting at the University of Kentucky instead of the weekend meeting on April 8, as formerly scheduled. Election of officers will take place at this time, and also plans will be made for the meeting next fall.

That Robin Goodpastor Whitehouse deserves a 21 gun salute

## Dr. Tant To Speak To KEA Group

Dr. Norman Tant, director of Audio-Visual Education at Morehead State College, has accepted an invitation to appear on a panel at the Kentucky Education Association, Thursday, April 14. The group involved is the Department of Modern Foreign Language Teachers.

"Teaching Foreign Languages in Elementary Schools" is the topic which the foreign language teachers are scheduled to consider at their luncheon meeting which will be held at the Male High School cafeteria at 12:00 noon, in Louisville. Dr. Tant is scheduled to discuss "Using Audio-Visual Aids To Teach Elementary Pupils Foreign Languages."

The secretary of this foreign language teachers group is Mr. E. Rogers of Valley High School, Louisville.

## Kappa Mu Has Film At Assembly

Ralph Cannoy, president of the Kappa Mu Club of Morehead State College, introduced the Thursday, March 31, assembly program which was presented by the Kappa Mu Club.

A film, "Unfinished Rainbows" was shown. The film concerned the development of an industry and proved to be interesting and informative to the students.

"I've got one student that I dread to see put up his hand."

## Gay Nities Break Breck Babes' Hearts In Breathless Game

By Nancy Montgomery

If you saw some girls in red and white striped, knee-length, styled shorts playing basketball on Tuesday night, it wasn't considered a new style, or even the return of the "bloomer girl", but just the MSC WPA girls' basketball team—the "Gay Nities". You might have also seen "babies" that could walk and talk and even play basketball, running around with lollipops in their mouth, coke bottles with nipples on top in their hands, and pacifiers around their necks. These "babies" are better known as the "Breck Babes". Yes, there certainly were some odd sights in the gym on Tuesday night. Even the referees and the umpire were dressed in fancy stripes and bloomers; not just the usual black and white, but that "real good" red. The occasion, if you haven't guessed it by now, represented the benefit basketball game between the "Gay Nities" of MSC and the Breck "Babies" from the Breckinridge Training School sponsored by the MSC WRA in order to raise money for the Georgia Mullins Scholarship fund.

Competition was rough and spirited high, but with the marvelous performance of our two star players Sue Ernst, guard,

and PEGGY Burke, forward, who even scored two points without the aid of her crutches, the WRA team, the "Gay Nities", came out on top 33-26. There was some difficulty with the coach and the officials. They just couldn't seem to figure out which one of those karate twins was making the foul and the points. And that coach—she sure must be cold-blooded, as she never took off her coat and hat during the whole game.

During the half-time spotlight was focused on such celebrities as Johnny Duncan who did two of his famous pantomimes, Etta Peters and Edna Jamerson who sang their favorite hillybilly songs, Mickey Prewitt who did two recitations "Rock-a-Bye Baby" and "It's in the Book", and "Slats" Evans who did "tricks" with a basketball. You say you didn't see it—man, you missed something!

Let's face it, men. This is the modern age and we'll have to go along with it. Which would you rather do—come home and find the refrigerator on the blink or come home and find the ketchup out of order?

Humility is the best estimate of one's self.

—Charles Sprague

## We Extend...

a cordial invitation to all the faculty and student body of Morehead State College to come in our new store and browse around. You don't have to buy anything. We just want you to get acquainted with our new way of shopping.

Why do more college men and women smoke VICEROYS than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never sheds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers en masse report that filtered Viceroy has a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip... and Viceroy costs only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette... that's why VICEROY is the largest-selling filter cigarette in the world!

20,000 TINY FILTER TRAPS... plus Richer, Smoother Flavor

# Ancient String Instruments Shown In Great Recital

One of the most unusual and interesting programs of the current season was the concert given Wednesday night by the Ancient String Instruments Ensemble in Button Auditorium. Sponsored by the Morehead College Program Series, the group of artists were directed by Jerome D. Rosen, founder of the ensemble and also included (Jarland Young, harpsichordist, and Warren Downs playing the viol da gamba. Mr. Rosen played the quinton and viol da amore.

The program of music included chamber sonatas by Buxtehude, Corelli, and Leclair, performed by the quinton, viol da gamba and harpsichord. Following the intermission, the program was concluded with the Sonata in G Major by Bach featuring Mr. Rosen playing the viol da amore and Mr. Young, the harpsichord, followed by an Old English Suite by Farnaby and the Trio Sonata by Rameau, both played by an ensemble composed of the viol da amore, viol da gamba, and harpsichord.

The concert was doubly entertaining because it presented music seldom heard in public performance, and it presented that music played with a high degree of artistry on the instruments for which the music was originally written. Several remarks made by various members of the audience, and overheard by this reviewer, agreed that the charm of the music was largely due to its unusual quality, that there was nothing of an extremely dramatic nature in the music to stir or to emotionalize, but rather a flow of mellow harmony which soothed and relaxed the hearers. What impressed this reviewer, however, was the sympathetic tonal balance achieved by the use of the harpsichord with the string instruments. Never again will the music of the 17th and

Let your vacation start at the station!

—more fun, more friends on the train!

Take the train for a fun-filled trip back home... with your friends along and room to roam. No tough driving to do, and no waiting for weather to clear. Costs less, too... you and two more traveling together can each save 25% of regular round-trip coach fares on most trips of 100 miles or more by using GROUP ECONOMY FARES. Or, gather 25 or more heading home at the same time in same direction and you each save 25%, even if you return separately.

18th centuries sound quite right when played on the modern piano, especially with string instruments.

The concert by the Ancient String Instruments Ensemble concluded the programs for the current college year.

## Eagles —

(Continued From Page 1) lowered to overshadow the work of the members of the team. Track is, when all is said and done, still a team sport, and it requires the efforts of the whole squad and not the work of a few in order to have a winning aggregation. The key to success in track is a balanced team, and that is what Morehead now has. In two meets this year there has not been a goose-egg in a single event yet another all-time first for the tracksters.

Kenny Thompson, high scorer in the meet, was second today with 10 points, achieved by tying for first in the pole vault and high jump and taking a second in the broad jump. Ed Wells had 9 1/2 as he won the 320, took second in the mile and ran off on the winning mile relay team. This latter win was the team's record in the half which appeared in four events and placed in all of them for a total of 8 points. Kenny Daugherty, a fine distance runner in his own right, took second in the mile and 2 mile runs for 6 points.

Three Stadium records fell afternoon. In addition to Denton's record in the half which wiped out James Boswell's (U. of Louisville) mark of 3:07.0, marks toppled in the shot and discus. Tom Simmons of Eastern, already the recordholder in the shot with a distance of 42' 9 1/2", erased his old mark with a 42' 11" effort. Don Hartman, the O.V.C. recordholder in the discus from Eastern, also overthrew his mark (130'2"-1954) with a toss of 130'7".

## Meet Summary

100-1. Torline (E). 2. Wells (M); 3. Thompson (E). Time 16.9 seconds.  
220-1. Wells (M). 2. Wilhoit (E); 3. Perry (M). Time 24.2 seconds.  
440-1. Rucker (E). 2. Wheeler (M); 3. Adams (M). Time 52.8 seconds.  
880-1. Deaton (M); 2. Carroll (M); 3. Riddle (M). Time 2:02.9.  
1 Mile-1. Deaton (M); 2. Daugherty (M); 3. Campbell (E). Time 4:33.8.  
2 Mile-1. Deaton (M); 2. Daugherty (M); 3. Garman (E). Time 10:22.1.  
Mile Relay — 1. Morehead (Wells, Riddle, Carroll, Wheeler); 2. Eastern. Time 3:46.3.  
Eight 1/2 Miles-1. Morris (E); 2. Ham-

## Conservation Is The Theme For Summer Term Workshop

A Resource-Use and Conservation Workshop will be offered on the Morehead State College campus during the first three weeks of the summer term, June 13 through July 1, 1955. The course will be offered for a credit of three semester hours in either Education 401 or Science 401.

The workshop is an interdepartmental offering by the faculties of Agriculture, Biology, Education, Geology and Geography, and the staff of the Breckinridge Training School, with technical assistance from representatives of the United States Forest Service, United States Soil Conservation Service, the Kentucky Division of Forestry, the Division of Soil and Water Resources, the Division of Mines and Minerals, and the Fish and Wildlife Commission.

## A number of preliminary

ilton (M); 3. Falls (M). Time 16.9 seconds.  
Loves-1. Jump (E); 2. Morris (E); 3. Hamilton (M). Time 28.7 seconds.  
Pole Vault—A triple tie for first between Hamilton, Thompson, and Hedland, all of Morehead. Height, 10 feet.  
High Jump—1. Thompson (M) and Falls (M), 5'6"; 3. Lane (M) and Hamilton (M), 5'4".  
Broad Jump—1. Pipes (E), 18'10"; 2. Thompson (M), 18' 5/8"; 3. Hedland (M), 17'11".  
Shot—1. Sammons (E), 42'11"; 2. Hontman (E), 40'8"; 3. Flier (M), 38".  
Discus—1. Hartman (E), 130' 9"; 2. Tishue (E), 100'1"; 3. Chaney (M), 100'9".

## Mullins —

(Continued From Page 1) A person begins to learn while still in his mother's lap. The second thing he learns is to watch out for hot cigarette ashes.

In eight girls sold over twenty tickets apiece.

Those elected were: Martha "Stat" Evans, President. Dean Bowen, Vice-President. Ruth Provance, Treasurer. Ann Karrick, Secretary (re-

ported).

Nancy Montgomery, replacing Robin Goudpaster Whitehouse as reporter.

The basketball intramurals will soon be over and softball and swimming are next on the list of activities.

Many of the natural renewable resources of Eastern Kentucky have been seriously depleted to the extent that the economic life of the area is being adversely affected. Morehead State College has easy access to the major conservation problem and practice situations and many examples of both good and bad conservation practices can be observed near the campus. Numerous field trips will be taken with transportation provided.

If possible, room reservation on the campus should be made before June 3, 1955.

## Recital Given By Music Majors Here

By Betty Ann Ewen

Another in the series of Morehead State College Student Recitals was presented by the Department of Music, March 9, in the William Jesse Baird Music Building. These programs are presented to the public in order that the performing students may become more experienced in the type of work they are to do in teaching.

The program was as follows:  
Piano Boellman  
Prelude and Fugue in C Bach  
Ramona Reynolds  
Scherzo in B Flat Schubert  
Burt Adkins  
Concert Sketch No. 5 Blazevitch  
Roger Roush, tuba  
Janet Boyer, piano  
Verset No. 4 Guilmette  
These Are They—"Holy City" Peggy Robinson  
Janet Boyer, piano  
Canzona Frescobaldi  
Adagio Franck  
Glenn Chandler  
Sketches of New York Manning  
Along the East River Street Scene  
Bernard Kautz  
Janet Boyer, piano

## Visual Aids Offers Films For Preview

The audio-visual aids division of the education department now has six films for preview by interested educators, civic and religious leaders. These films are provided by the Film Council of America to stimulate wider use of this communications medium. Films on hand now, which may be checked out for preview until April 29, are: "Another Light", "Caution, Danger Ahead", "Growing Girls", "Swab Your Chop-

pers", "Treasure in a Garbage Can", and "Your Food".

Financial support. "Caution, Danger Ahead", is another timely safety film.

"Growing Girls", is an English-produced film designed to aid schools in its increasingly important sphere of physical hygiene.

"Swab Your Choppers", is a color film in animation produced by the Navy. As one might guess, it deals with the proper methods of massaging the mastoiders with the implication that a dentist will design dentures for the hopeless ones.

"Treasure in a Garbage Can" is a little less transparent. It deals with the reclamation of refuse in Los Angeles which is fed to pigs (which is getting back to the hard way, it seems to the writer), and the salvaging of toys which are repaired and given to poor children.

"Your Food" uses animation and puppets to illustrate the nature and function of the basic foods.
